

AGREEMENT ON ACADEMIC EXCHANGE

between

PRINCESS OF NARADHIWAS UNIVERSITY

and

KANSAI MEDICAL UNIVERSITY

Princess of Naradhiwas University and Kansai Medical University consent to the following agreement on the academic exchange activities of faculty members, researchers and students, to promote mutual understanding and a friendly relationship and to advance medical education, faculty development and research.

1. The academic exchange activities include the following programs based on mutual consultation and agreement:

- (1) Mutual exchange of faculty members, researchers and students for promoting medical education faculty, development and research.
- (2) Any other activities which may fulfill the purpose of this agreement.

2. Both institutions will recognize that:

- (1) This agreement will impose no financial obligation on either university.
- (2) The sphere and period of activities shall be settled according to the agreement of both institutions.
- (3) For each specific activity, the two institutions will consult and develop a detailed agreement that will cover matters such as tuition or administration fees, responsibility for necessary local insurance, and whether academic credit or certificate granted by one institution shall be valid for the other institution.
- (4) Unless otherwise agreed, expense for transportation, accommodation and other personal expense shall be paid by the visiting persons or their institution.
- (5) Both institutions shall afford reasonable assistance in support of their students, researchers and faculty and staff members for their visit.

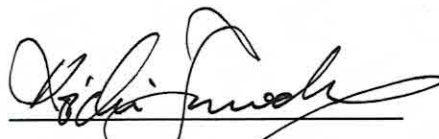

3. This agreement will be effective for an initial period of three years from the date of this conclusion. It may be extended automatically with the mutual consent of both institutions, unless either party gives notification sixty days prior to the expiration date.

Assoc. Prof. Dr. Rossukon Sangmanee, President

Princess of Naradhiwas University
